 - (ii) the urgent desire to introduce more people to Jesus,

16.2 Proposed plebiscite on same-sex marriage

Synod, in light of a proposed national plebiscite to determine whether the legal definition of marriage should be changed to include same-sex relationships and consistent with its long-standing and previously expressed position in relation to marriage and human sexuality –

- (a) continues to affirm that marriage, as a gift from God who made us male and female, is the union of a man and a woman to the exclusion of all others, voluntarily entered into for life,
- (b) notes that the inclusion of same-sex relationships within the legal definition of marriage would lead to a deeply regrettable divergence between the inherent meaning of marriage and its legal definition,
- (c) asks the Archbishop’s Plebiscite Task Force to continue to help Sydney Anglicans to prepare for and engage in public debate on this issue,
- (d) calls on Senior Ministers in the Diocese to incorporate teaching on marriage and human sexuality in the teaching programme of their parish prior to the plebiscite,
- (e) encourages all Christians to participate fully in the democratic processes open to us in this country to seek to persuade our nation of the goodness and wisdom of ensuring the legal definition of marriage in the Marriage Act 1961 remains aligned with its inherent meaning, and
- (f) urges all Christians to engage lovingly and respectfully in the debate about marriage, and condemns any vilification, bigotry or other expressions of hate or fear directed against our neighbours who identify as gay, lesbian, bisexual, trans or intersex (LGBTI).

- (e) requests that the Strategic Research Group, in light of this report and the contribution of non-parochial forms of Anglican ministry to the mission of the Diocese, provide a recommendation to the Diocesan Resources Committee as to the value and importance of potentially increasing funding for ENC in the next triennium to provide for the employment of staff to –
 - (i) develop existing and new non-parochial forms of Anglican ministry, and
 - (ii) identify, develop and support their leadership, and
- (f) requests ENC to report progress to Synod within two years with suitable recommendations to support and promote non-parochial forms of Anglican ministry.

(Page 35)

(The Rev Bruce Stanley/The Rev Philip Wheeler)

16.6 Funding church planting in urban areas

Synod, noting the report "Funding church planting in urban areas" –

- (a) recommends that the Regional Bishops and the Department of Evangelism and New Churches ("ENC") encourage and facilitate inter-parochial partnerships, where needed, to allow larger churches to resource the planting of churches in urban areas,
- (b) requests the Large Property Receipts Policy Committee, when presenting the proposed Property Receipts Levy, to include in its modelling an option that provides significant additional funding for ministry initiatives, and
- (c) agrees that if additional funding were provided through a Property Receipts Levy, additional funding for ENC is worthy of strong consideration in order to support church planting initiatives in urban areas.

16.7 Licensing of incumbents interim report

(Page 79)

(Bishop Peter Hayward)

16.8 Gambling reform

Gambling addiction is easily acquired but difficult to escape. It brings destruction to the person, the family, friends and the employer. Synod notes with deep concern the continued inaction by governments on gambling reform, in order to reduce the normalisation of gambling and community harm, in particular –

- (a) the continued rise of poker machine use in NSW, especially in areas of socio-economic disadvantage;
- (b) the uptake of on-line sports betting in Australia as reported by the Australian Gambling Research Centre;
- (c) the demonstrated potential for sports betting to corrupt genuine sporting contests;
- (d) that advertising for sports betting now legitimises and normalises this activity as an essential component to the enjoyment of many sports;
- (e) the continued unacceptable exposure of young Australians to advertising for betting in all forms of media, especially family TV viewing time;

and calls on the Prime Minister, and the Minister for Communications, to work with state ministers to implement additional controls on poker machines and advertising for sports betting on TV, radio, the internet, and mobile apps, with specific action on –

- (i) a national agreement on setting \$1 bet limits on poker machines;
- (ii) the elimination of advertising for sports betting on television in G, PG, news current affairs and live sports broadcasts; and
- (iii) tighter regulation of on-line betting, especially ‘push’ advertising and cookie-enabled advertising.

(Dr Karin Sowada)

16.9 Asylum seekers

In the certain knowledge that all persons are created in the image of God (Gen 1:27), Synod acknowledges the efforts of the Federal Government in reducing the number of children who are asylum seekers in immigration detention facilities within Australia, and requests the Government to enact further changes in order that the human dignity of those seeking asylum in our nation is upheld. In particular –

- (a) expediting the process of settling the 12,000 Syrian and Iraqi refugees, noting that to date fewer than 4,000 refugees have been settled;
- (b) expediting the time taken to process the claims of people in immigration detention centres within Australia, noting that, of the 1580 people in detention as at 31 July 2016, 44% had been in detention for one year or longer;
- (c) ensuring that the over 1,240 asylum seekers held at the processing centres at Manus Province PNG and the Republic of Nauru are afforded dignity and respect and their applications for refugee status to be processed as quickly and efficiently as possible; and
- (d) urges the Government to develop a regional framework for the protection, processing and settlement of refugees,

and commends the continuing work of Anglicare, parishes and other agencies in assisting with re-settlement efforts.

(Dr Karin Sowada)

17. Motions by request of a regional council

There are no motions under this heading.

18. Motions received by the Standing Committee

18.1 Protestant Reformation

Synod –

- (a) gives thanks to God for the Protestant Reformation of the sixteenth century in the year of the 500th anniversary of the posting of the 95 theses by Dr Martin Luther. We particularly give thanks for the recovery and clear proclamation of the great reformation doctrines of –
- **Grace alone** — The only source of our salvation and life is nothing but the unmerited favour and merciful love of God;
 - **Christ alone** — Jesus the incarnate Son and Messiah is our only Saviour, who in his loving act of bearing our sin and undergoing the judgment we deserve makes the love of the Father known to us;
 - **Faith alone** — Our salvation is received not as a reward for our character or our work but through God imputing righteousness to us by the instrument of faith, which is empty-handed trust in the promises of God and in the faithfulness of the one who has made those promises;
 - **Scripture alone** — The teaching of the Bible, the revealed, written word of God, is the final authority in all matters of doctrine and Christian living, by which standard every other word and all practice is to be judged;
 - **To the glory of God alone** — The goal of Christian living, both individual and corporate, and of the whole course of universal history, is the glory of the one true God by whom all things are made and by whom we have been redeemed;
- (b) acknowledges our Reformation heritage, particularly through the 39 Articles of Religion and the Homilies, the Book of Common Prayer and the Ordinal, and through the ministries of faithful men and women over the past five hundred years and joyfully reaffirms these confessional standards; and
- (c) respectfully requests the Standing Committee, the Chapter of St Andrew's Cathedral, Moore Theological College, Youthworks College, Mary Andrews College, and Anglican Deaconess Ministries to consider ways in which they might contribute to a diocesan wide celebration of our Reformation heritage during 2017.

(The Rev Dr Mark Thompson/Canon Phillip Colgan)

18.2 Soul Revival Church

Synod notes that the Soul Revival Church, Sutherland Shire, has been declared to be a recognised church by the Wollongong Regional Council from 1 June 2016 under clause 8 of the *Recognised Churches Ordinance 2000*. Soul Revival began as an initiative of Evangelism and New Churches by members of St Pauls and St Barnabas Anglican Church Gympie in February 2012. Synod thanks God that from small beginnings it has grown vigorously and joins in praising God as it celebrates its fifth year of ministry.

(Dr Alan Watson/Bishop Peter Hayward)

18.3 Restoring Hope, Respect and Trust in our Society

Synod acknowledges that sins committed within a Society destroy Hope, Respect and Trust and that restoring Hope, Respect and Trust in that Society is essential for the improvement of the welfare of the people.

Synod is aware that public exposures of misconduct within various Anglican Churches reflect on public perceptions of churches even within our own Diocese. Unless Trust is restored many people will continue to regard the Church as but a 'clanging symbol'.

Therefore, as Sydney Anglicans we grieve over the wickedness and sin that exists in our nation and churches, and pray that we all may repent and seek God's forgiveness.

Synod recognises the need to repent of our own sins if we are to be effective in the evangelisation of our Diocese.

When we do so individually and corporately, God may use us more effectively to change our communities and nation.

(Mr Tom Lovett)

18.4 Dr Laurie Scandrett

Synod gives thanks to God for the work and ministry of Dr Laurie Scandrett as CEO of the Anglican Schools Corporation from September 1999 to August 2016, a period of 17 years.

Synod especially gives thanks for Laurie's –

- (a) passion to see the ongoing development of quality Christian education where the gospel is proclaimed,
- (b) energy to grow the Corporation from 9 to 20 schools and 4,000 to 14,000 students,
- (c) development and management of the structures to resource the Corporation over these 17 years, and
- (d) engagement of the Corporation and the Diocese in and with the education sector and its stakeholders in NSW and nationally.

Synod also welcomes the appointment of Mr Ross Smith as the incoming CEO of the Anglican Schools Corporation and assures Ross of our prayerful support as he takes up this role.

(Mr Tony Willis/Mr David Minty)

18.5 Community Chaplains (Evangelists)

Given the reality of 90% of our Sydney community not regularly visiting our churches and a reported 50% who do not know a Christian person, there is a desperate need to reach the lost in new ways and reach into the many sub-cultures and networks of our city. This Synod therefore commends the work of Anglicare, Anglican Deaconess Ministries, Moore College and Evangelism and New Churches in developing the work of Community Chaplains. We give thanks to God for the current 70+ community chaplains who are ministering in the community, in pubs, sporting clubs, nursing homes, dementia wards, ESL classes and the like showing the love of Christ and speaking the life giving good news of salvation and hope through Jesus.

This Synod asks its members and our churches to –

- (a) pray for these Community Chaplains (evangelists) and that 1000 might be deployed as pioneering urban evangelists across the city,
- (b) look at their own communities to identify people who are unreached and marginalised and to raise up evangelists to bring the good news to them,
- (c) partner with ENC, Anglicare, ADM and Moore College in training and deploying such Community Chaplains (evangelists),
- (d) consider attending the Forum and Information Day on Community Chaplains and Missional Communities on 12th November at Auburn Anglican Church.

(The Rev Philip Wheeler)

18.6 Remunerating the chairs of Part 6 diocesan organisations

Synod requests that the Standing Committee –

- (a) investigate the potential for the chairs of diocesan organisations whose CEOs are called under Part 6 of the Synod Membership Ordinance to be remunerated, having regard to the workload of the chair *in addition to* that expected of other members of that board who volunteer their time in their roles, and
- (b) provide a report to the next session of the Synod.

(Mr David Minty/Bishop Chris Edwards)

18.7 Equipping rectors for their task of leadership

Synod gives thanks to God for the well trained men who lead our parishes and recognising that –

- (a) rectors are charged with the leadership of our parishes, and
- (b) many could be even better prepared and even better resourced for this task.

Synod asks the Strategic Research Group to establish a committee (in consultation with MT&D, CMD and other appropriate instruments) to explore and report back to the Synod in 2017 on what action is required and how it may be implemented to better equip rectors for their task of leadership.

(The Rev Ted Brush)

18.8 Restricting the length of sermons

Synod notes that –

- (a) research suggests that while listening to sermons most adults can focus for only 15-20 minutes before starting to lose attention, and
- (b) while we may remember about 70% of what was presented in the *first* ten minutes of a twenty-minute sermon, we are unlikely to retain more than about 20% of what was presented in the *last* ten minutes.

Therefore to promote more effective teaching of God's word, Synod urges ministers and other preachers to restrict the length of their sermons to twenty minutes or less.

(Dr David Oakenfull)
